# What you need to know...

## *How it works:*

We will have a phone consult to discuss the details of your session. We will talk about whether you'd like to have a studio session or on-location session, what to wear, hair and makeup (we can recommend a make-up artist if you'd like).

The length of your session is dependent on the package that you select. About two weeks after your session we will meet again to view a slideshow of your images. We will show you between 10 and 20 images and work with you to create your print order.

## *Let us know:*

Please let us know if you want to show any tattoos that you may have. Because peeling skin does not look attractive in photos, please avoid over-sunning or sunburn.

## *What to bring:*

We encourage you to bring items that help define who you are; such as a guitar, soccer ball, hobbies, even a car. Bringing a pet is okay too; however, please make sure there is someone there to take of the pet while you are being photographed. Remember, these images are about self-expression, who you are. Use your creativity for the items you want to bring.

## *What if I break out?*

Do not worry about minor breakouts, or complexion problems. These can be fixed post-session. Heavy breakouts can also be retouched, but may require an additional retouching fee.

## *When can we see the images?*

We will schedule a date for you to come to our viewing room to see your photos. The date is usually about two weeks after your session.

## *How do we book the session?*

Call or email us to let us know which session you have chosen. A \$50 nonrefundable retainer will be due when you book your session. The balance for the session will be due on or before your session date.

# Senior Collections

## *YEARBOOK SESSION:*        \$75

This 20 minute session is done at our Northglenn studio and (weather permitting) we will take both studio and outdoor photos. At least 10 images will be shown at your ordering session.
